May 26. Stoke-Hamond, Bucks. 116. Thos. Disney to Luke Wilkes. Sends a primer, of which 1,500 are printed, written by Benj. Keach of Winslow, a tailor, and teacher in their new-fangled way. Begs that the archbishop may be acquainted with it, and the impression be seized before it is dispersed to the poisoning of the people, as it contains much schismatic and heretical matter.
